### 4. ANNUAL GENERAL MEETING

Pages 20 to 25 of this circular contain a notice convening the AGM which will be held at Conference Room, 4/F, Chuangjian Building, No. 6023 Shennan Road, Futian District, Shenzhen, China on Friday, 9 June 2017 at 10:00 a.m.. At the AGM, in addition to the ordinary business of the meeting, resolutions will be proposed for (i) the grant of the General Mandate and the Repurchase Mandate; (ii) the extension of the General Mandate to include Shares repurchased pursuant to the Repurchase Mandate; and (iii) the re-election of Directors. All resolutions set out in the AGM Notice will be voted by poll in accordance with the Listing Rules.

Whether or not you intend to be present at the AGM, you are requested to complete the enclosed form of proxy and return it to the Company's branch share registrar in Hong Kong, Computershare Hong Kong Investor Services Limited, at Shops 1712-1716, 17th Floor, Hopewell Centre, 183 Queen's Road East, Wanchai, Hong Kong in accordance with the instructions printed thereon as soon as practicable but in any event not later than 48 hours before the time appointed for holding the AGM. Completion and return of the form of proxy will not preclude you from attending and voting at the AGM in person should you so wish.

Pursuant to Rule 13.39(4) of the Listing Rules, any vote of shareholders at a general meeting must be taken by poll except where the chairman of the meeting, in good faith, decides to allow a resolution which relates purely to a procedural or administrative matter to be voted on by a show of hands. Accordingly, each of the resolutions set out in the notice of the AGM will be put to the vote by way of a poll. In accordance with Bye-law 66 of the Bye-laws, the chairman of the AGM will therefore demand a poll on each of the resolutions to be proposed at the AGM. An announcement will be published by the Company on the websites of the Stock Exchange ([www.hkexnews.hk](http://www.hkexnews.hk)) and the Company ([www.swsc.hk](http://www.swsc.hk)) after the conclusion of the AGM to inform the Shareholders of the voting results of the AGM.

To the best of the Directors' knowledge, information and belief, having made all reasonable enquiries, no Shareholder is required to abstain from voting on the resolutions to be proposed at the AGM.

The Directors, having made all reasonable enquiries, confirm that to the best of their knowledge and belief the information contained in this circular is accurate and complete in all material respects and not misleading or deceptive, and there are no other matters the omission of which would make any statement herein or this circular misleading.

### 6. RECOMMENDATION

## **APPENDIX I      EXPLANATORY STATEMENT FOR THE REPURCHASE MANDATE**

---

*This Appendix serves as an explanatory statement required by Rule 10.06(1)(b) of the Listing Rules to provide you with all the information reasonably necessary to enable you to make an informed decision on whether to vote for or against the proposed resolutions.*

### **1.      LISTING RULES**

The Listing Rules permit companies whose primary listings are on the Stock Exchange to repurchase their own shares on the Stock Exchange subject to certain restrictions, the most important of which are summarized below.

### **2.      SHAREHOLDERS' APPROVAL**

All proposed repurchases of shares on the Stock Exchange by a company with its primary listing on the Stock Exchange must be approved in advance by an ordinary resolution, either by way of a general mandate or by specific approval.

### **3.      REASONS FOR REPURCHASES**

The Directors believe that it is in the best interests of the Company and the Shareholders to continue to have a general authority from the Shareholders to enable the Directors to repurchase Shares on the market. Whilst it is not possible to anticipate in advance any specific circumstance in which the Directors might think it appropriate to repurchase Shares, they believe that an ability to do so would give the Company additional flexibility that would be beneficial to the Company and its Shareholders as such repurchases may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net value of the Company and its assets and/or its earnings per Share. Shareholders can be assured that the Directors would only make such repurchases in circumstances where they consider them to be in the best interests of the Company and its Shareholders.

---

## **APPENDIX I      EXPLANATORY STATEMENT FOR THE REPURCHASE MANDATE**

---

### **4.      SHARE CAPITAL**

As at the Latest Practicable Date, the issued share capital of the Company comprised 2,441,220,409 Shares. Subject to the passing of the proposed ordinary resolution approving the granting of the Repurchase Mandate, on the basis that no further Shares are issued or repurchased prior to the AGM, the Company would be allowed under the Repurchase Mandate to repurchase a maximum of 244,122,040 Shares, being 10% of the entire issued share capital of the Company as at the date of passing such resolution. The Repurchase Mandate will end on the earliest of (i) the date of the next annual general meeting; (ii) the date by which the next annual general meeting of the Company is required to be held by the Bye-laws or any applicable laws of Bermuda; and (iii) the date upon which such authority is revoked or varied by an ordinary resolution of the Shareholders at a general meeting of the Company.

### **5.      FUNDING OF REPURCHASES**

In repurchasing Shares, the Company may only apply funds legally available for such purpose in accordance with its memorandum of association and Bye-laws and the laws of Bermuda, including capital paid up on the Shares to be repurchased, profits otherwise available for distribution and sums standing to either the share premium account or contributed surplus account of the Company.

On the basis of the consolidated financial position of the Company as at 31 December 2016 (being the date to which the latest published audited financial statements of the Company have been made up) and in particular the working capital position of the Company at that time and the number of Shares now in issue, the Directors consider that if the repurchases of all the Shares pursuant to the Repurchase Mandate were to be carried out in full during the Repurchase Mandate period, it would not have a material adverse impact on the working capital position or the gearing position of the Company. No repurchase would be made in circumstances that would have a material adverse impact on the working capital position or the gearing position of the Company (as compared with the position disclosed in the latest published audited financial statements).

### **6.      DISCLOSURE OF INTERESTS**

None of the Directors or, to the best of their knowledge and belief of the Directors having made all reasonable enquiries nor any of their respective associates currently intend to sell any Shares to the Company under the Repurchase Mandate is approved by the Shareholders.

---

## **APPENDIX I      EXPLANATORY STATEMENT FOR THE REPURCHASE MANDATE**

---

No connected person has notified the Company that he/she has a present intention to sell any Shares to the Company nor has undertaken not to sell any of the Shares held by him/her to the Company, in the event that the Repurchase Mandate is approved by the Shareholders.

### **7.      UNDERTAKING OF THE DIRECTORS**

The Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they will exercise the Repurchase Mandate in accordance with the Listing Rules, the memorandum of association and Bye-laws of the Company and the applicable laws of Bermuda.

### **8.      EFFECT OF THE TAKEOVERS CODE**

If a Shareholder's proportionate interest in the voting capital of the Company increases as a result of a share repurchase, such increase will be treated as an acquisition for the purposes of Rule 32 of the Takeovers Code. As a result, a Shareholder, or a group of Shareholders acting in concert (within the meaning under the Takeovers Code), depending on the level of increase in the Shareholder's interest, could obtain or consolidate control of the Company and becomes obliged to make a mandatory offer in accordance with Rules 26 and 32 of the Takeovers Code.

As at the Latest Practicable Date, to the best knowledge and belief of the Company, Southwest Securities International Investment Limited, a wholly owned subsidiary of SWSC, beneficially owned Shares representing approximately 74.22% of the total issued share capital of the Company. In the event the power to repurchase Shares under the Repurchase Mandate is exercised in full and assuming that there is no change in the issued share capital of the Company after the Latest Practicable Date, Southwest Securities International Investment Limited's percentage holding in the Company would be increased to approximately 82.46% of the total issued share capital of the Company, which would result in the Company's public float falling below the prescribed minimum percentage level as required under the Listing Rules. The Directors have no present intention to exercise the power to repurchase Shares. The Directors have no intention to exercise the Repurchase Mandate to such an extent so as to trigger the number of Shares which are in the hands of public falling below 25% of the total issued share capital of the Company.

Save as aforesaid, the Directors are not aware of any consequence which would arise under the Takeovers Code as a consequence of any repurchases pursuant to the Repurchase Mandate.

---

**APPENDIX I      EXPLANATORY STATEMENT FOR THE REPURCHASE MANDATE**

---

**9.      SHARE REPURCHASES BY THE COMPANY**

The Company did not repurchase any of its Shares (whether on the Stock Exchange or otherwise) in the six months preceding the Latest Practicable Date.

**10.     SHARE PRICES**

The highest and lowest prices at which the Shares have been traded on the Stock Exchange during each of the previous twelve months preceding the Latest Practicable Date were as follows:
